There are currently 20 children, ages 6-16, living in the Bina Kasih orphanage which is located about 100 yards from the Medan Branch church building.

The humanitarian foundation of the Church has provided basic supplies to the orphanage and school uniforms for the children. The Bina Kasih orphanage is new and has been working to find local sponsors but was badly in need of help to cover school tuition for the current school year.

Andrea Septiandra K Abel A Aprianza, Jakarta

As a parent of Andrea Septiandra K and Abel A Aprianza, we are so thankful to JEAP program for the assistance give to us, so my kids can continue their education. I am so grateful for the help by receiving JEAP funds and so grateful to Heavenly Father who helped us solve our problem by showing us the way for my kids to have a better education and so they can reach many awards in academics or non academics. I hope with JEAP, my kids will continue their education so they can have better a future. May God repay the kindness of donors.

As a family from the Church of Jesus Christ of Latter-day Saints, and a good father and JEAP Manager say thank you for being with us all this time and giving help all the time whenever we are in trouble. JEAP has helped. There are so many things that we should be grateful for the blessings that JEAP has given us.

On this happy occasion we would like to give thanks from the bottom of our hearts. Thank you for everything that JEAP has provided and remembering that we still have high hopes for JEAP. May JEAP continue to be blessed by God. We are so grateful.

Anastasia Virginia Pamungkas Joseph Hinckley Pamungkas Bogor

It's true that during the Covid-19 pandemic, it had an impact on all sectors, especially the economic sector. All costs of living have skyrocketed. We as parents are very worried about our children's education because they have to go to school and education is very important to them.

We knew about the Jaredita program and maybe this is the answer to our prayers so that our children can continue to go to school. Through this program, we can help pay for our sons and daughters' schooling.

Thank you for all of your gifts and generosity. How happy and grateful we are to receive this blessing. May God reward you all for your kindness.

Pamungkas siblings Anastasia (above) and Joseph (below).

Thank you for your service

We express thanks to outgoing JEAP board members Titik Sugiyanto, Erwin Dumalang and Nanet Dumalang.

We welcome Lukas Subandriyo and Andhika Kusuma as new JEAP board members along with Sary Silen as an administrative coordinator.

About the Jaredita Foundation, Inc.

The Jaredita Foundation Inc (JFI) is a 501(c)(3) non-profit organization named in honor of Jaredita—beloved daughter of Steffi and Subandriyo. She passed away in 2007 after one year of schooling at BYU-Hawaii and just weeks before she planned to enter BYU-Provo. Jaredita had a love of learning and a love for the children of Indonesia.

The purpose of JFI is to help young Indonesian children and young adults get an education. With the help of in-country facilitators, children who are not able to attend school because their families cannot afford tuition, books and uniforms will be offered financial assistance to pay for primary and secondary schooling. Payments are made directly to the schools. In many instances the fund will pay for half of the school cost with the family paying the other half.
